Dear CHVE Families,

Across the country, the state of Colorado, and in the Cherry Creek School District, we celebrate School Board of Education Recognition Month in January, to acknowledge the hard work of our board members and thank them for their valuable service in the education of our children. We are grateful for our Cherry Creek Schools Board of Education members: Jennifer Churchfield, Claudine McDonald, Jim O'Brien, Randy Perlis, and Dave Willman. As citizen leaders, they face complex and demanding challenges. We appreciate their continued dedication and hard work to promote academic excellence and equity in a safe learning environment for all Cherry Creek students.

I attended the January Board of Education meeting this week to receive two awards on behalf of CHVE. I am proud to announce, Cherry Hills Village Elementary received the John Irwin Award from the Colorado Department of Education which is given to schools that demonstrate excellent academic achievement. We “exceed” expectations on the academic achievement indicator and “exceed” expectations on the indicator related to academic growth gaps. We also received the Governor’s Distinguished Improvement Award. This award is given to schools that demonstrate exceptional student growth. On the school performance framework that is used by the state to evaluate schools, we “exceed” expectations on the indicator related to longitudinal academic growth and “exceed” expectations on the indicator related to academic growth gaps.

The credit for these awards of excellence belongs to the students and the teachers who have collaborated to master rigorous instruction and learning at CHVE. The assessments validate that our students are functioning at the highest levels in the areas of mathematics, science, reading, and written communication. We must also acknowledge the efforts of parents for their diligence and support in helping our children take achievement seriously. We are fortunate to have a community that values education and challenges us to elevate the tradition of excellence at Cherry Hills Village Elementary School even higher. We are approaching the 2013 testing season. Let’s keep up the great work.

In health news I am proud to announce we have not had any known lice cases in many months. Let’s try to prevent the flu as well. The flu (influenza) is making national headlines as the number and severity of influenza cases continue to grow nationwide. Colorado was one of the early states to be identified as having wide-spread flu activity. I want families to be prepared for the possible surge of this serious illness. Please see the attachments.

The safety of our students, staff and community members remains a top priority at CHVE. Our safety and crisis team has met to examine safety policies and practices. We have tweaked our systems and crisis response procedures as a result of the tragedy in Connecticut. I will post the actual emergency procedures on our website to keep parents in the know. Be aware this is an ongoing dialogue and we welcome your input always. Please e-mail me directly with thoughts, concerns, and suggestions at mdrvenkar2@cherrycreekschools.org.

As you know, the passage of 3B authorizes the district to sell \$125 million in bonds for renovations and new school construction. Cherry Hills Village Elementary will receive

\$2,729,000 to renovate the La Tronico Center, repair ceilings, replace windows, provide classroom casework and flooring, upgrade restrooms, repair sidewalks, and much more. I want you to be aware the CHVE renovations are scheduled for summer of 2014. I will form a committee to work with architects and designers to make efficient and responsible use of tax dollars. I have a large number of parents and staff willing to serve on this committee. I will follow up with all volunteers in the fall.

In district news, the Cherry Creek Schools Foundation is sponsoring the Exceptional Volunteer of the Year Award. This award recognizes volunteers of the Cherry Creek School District for their dedication to our students, faculty and community. We are blessed with an incredible number of outstanding volunteers at Cherry Hills Village Elementary School. It will be extremely difficult to choose just one. Please take a moment to nominate an extraordinary volunteer from CHVE. The nomination forms are attached and the collection box is in the front office.

“YIPPEE, YAHOO, YOU SPLASH” sentiments go to:

Music teacher, Michele Ienna, for being such an incredible inspiration to our children. The singing choir and hand bell choir performance in December was outstanding.

Jen Sax and Hayden Collins for all their help with the music program.

Jean Barnard, Nicole Seawell and Liz Rollins for a fun Lego event.

Melissa Grossman and Kelly Matthews for implementing a fantastic foreign language program at our school.

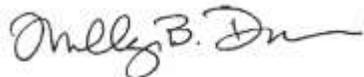

Lisa Schatz & Casey Perry (Apple for a Teacher) & all the generous families at CHVE who donated to the staff gifts at the holidays. The CHVE support staff was overwhelmed by the kindness and generosity of our great community.

Thanks to all the Reach Out members who put together so many generous gift cards for families at the holidays.

Thanks to Buffy Chonchol & Jen Untermeyer for all their hard work all year. What fantastic PTCO Treasurers we have!

Each day I feel blessed to be a part of this incredible school community. I look forward to the challenges and successes of 2013. I wish you good health and much happiness this year!

Together in education,

Molly Drvenkar,
Principal
