Dear CHVE Families,

Cherry Hills Village Elementary will host the Cherry Creek School District Board of Education meeting on Monday, March 11, 2013, in our gymnasium. We don't often have the opportunity to host a board meeting and I think you will find the agenda particularly meaningful this month. Safety will be a focus! Assistant Superintendents, Mr. Eric Flor and Dr. Scott Siegfried, will deliver a presentation with recommendations to the board regarding safety. I am thrilled with the proposed changes to Cherry Creek Schools. I encourage you to attend! These meetings are open to the public.

Each year the Cherry Creek School District sponsors the Exceptional Volunteer of the Year Award. This award recognizes volunteers of the Cherry Creek School District for their dedication to our students, faculty and community. We are blessed with an incredible number of outstanding volunteers at Cherry Hills Village Elementary School. I am proud and honored to announce that Allison Dodge has been selected as the CHVE Volunteer of the Year for the 2012-2013 school year!

Allison Dodge spends countless hours working to support programs, activities and achievement at Cherry Hills Village Elementary. She is dedicated to the growth and happiness of all students, staff, and community members and it shows. She has held positions within PTCO, including the role of president, and still finds time to offer hours of support to volunteer in the library, meet and greet new families, assist classroom teachers and partake in activities that extend beyond the reach of our PTCO. I am grateful for her willingness to collaborate, lend a hand and share her warmth. Allison takes on new challenges with a smile and models the way for others.

We give thanks for Allison Dodge and ALL our wonderful volunteers! You help us inspire every child to think, to learn, to achieve, and to care! Thank you for taking the time to nominate a volunteer! I will celebrate each nominee in my next chronicle. Stay tuned.

Planning for the 2013-2014 school year is just around the corner! This planning includes the formulation of classes for next year. Allow me to explain the process. Each year the staff at CHVE spends many hours and takes great care assigning students to their next years' classes. We feel that we know each of our students well: learning styles, relationships with peers, academic strengths and weaknesses, etc. Our intention is to create groups of children who reflect heterogeneity and cohesiveness. Student placement is based upon many considerations. Some of the influencing factors in this process include:

- Balance of male and female students
- A heterogeneous range of reading, writing, and math in each room
(Note: math is ability grouped beginning in grade 1)
- Consideration of learning disabled, gifted, and special needs students
- Separation of social conflicts
- Balance of students with strong leadership qualities
- Balance of students with good study habits

Due to the complexity of the class placement process, we are not able to honor specific requests for a classroom teacher. If you would like to add to our knowledge of your child's social, emotional, or academic needs, you may do so **in writing to the principal no later than Friday, April 26**. The needs you share will be treated as part of the process in making assignments for next year. Requests for specific teachers will not be granted and should not be part of the information you share. Information shared verbally or in previous years will not be considered. There is simply too much information to examine during this process. We need everything in writing. Please respect the integrity of this process. Thanks in advance for your assistance and cooperation!

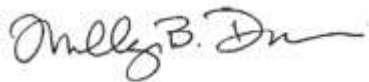

Current "YIPPEE-YAHOO, YOU SPLASH" sentiments go to:

- PARENTS - Your partnership during parent-teacher conferences is critical to your child's progress and academic achievement. We are grateful for your participation.
- HOSPITALITY COMMITTEE: Katharine Honnen, Allison Levin, Marian Beirne, Liz Sanders-Funk, and Mary Kawula and others for delicious food provided during conferences and science fair. YUM!

- REACH OUT COMMITTEE: Andrea Powers, Tami Beardsley and the rest of our Reach Out crew for collecting gently used books for children in other Cherry Creek Schools. We donated hundreds of books to needy children.
- WELCOME BACK to Tara Roberts who returned this week from her maternity leave. It's nice to have her back!!
- CONGRATULATIONS to Kelli Feltz and her family on the birth of her new little girl, Paige.

Our fourth and fifth grade students start the TCAP on Monday. DON'T FORGET TO CHANGE YOUR CLOCKS! Come to the school board meeting at CHVE on Monday. Have a great weekend!

Together in education,

Molly Drvenkar,
Principal

BEFORE THE END OF SCHOOL, YOU MUST FILL OUT WITHDRAWAL PAPERWORK AT THE OFFICE for all grade levels.***
